

FISCAL NOTE

SB 2284 - HB 2263

February 8, 2002

SUMMARY OF BILL: Requires the Department of Health and the Tennessee Emergency Management Agency to develop a plan and procedures to respond to a biological or chemical attack. The plan is to develop an adequate infrastructure of medical facilities, develop quarantine procedures, maximize communication in the event of an attack and obtain and stockpile adequate medicines and vaccines.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

Current law, regulations and the State's Emergency Plan include the provisions of this bill. Any increase in expenditures is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
